

REQUEST FOR PROPOSAL
2030 NAWGJ National Judges Cup

January 3rd to 6th 2030

Fallbrook Gymnastics is a gymnastics production Company that produces approximately eight programs annually. The majority of the programs are locally hosted events and we place bids for State, Regional and National Events. The five - six premium programs that we bid on are hosted at outside venues . Each of these programs involves many disciplines within the sport of gymnastics and has special venue requirements. We have won 15 bids to host National Championships for USA Gymnastics and AAU Gymnastics. We won the bid to be the host for the 2026 2028, 2029 National Judges Cups.

We are looking to host an event for the 2030 National Judges Association. This competition is very well attended with 1000 athletes and 2000 spectators.

KEY CONTACTS

Once site visits have been arranged, we will want to meet respective Sports Commission, CVB, Convention Center and Hotel contacts. Please contact Dean & Debbie Capelotti.
