April 27th to 30th, 2028 or May 4th to 7th 2028

Fallbrook Gymnastics is a gymnastics production company that produces approximately eight programs annually. The majority of the programs are locally hosted events and we place bids for State and Regional Championships. The five - six premium programs that we bid on are hosted at outside venues . Each of these programs involves many disciplines within the sport of gymnastics and has special venue requirements. We have won 15 bids to host National Championships for USA Gymnastics and AAU Gymnastics.

We are looking to place a bid to host 2028 USA Gymnastics Xcel Regional Championships. This competition is very well attended with 2000 athletes and 5000 spectators.

The venue must be in one of the following states Arizona, California, Nevada, Utah. Venues usually have excellent concession stand sales at our events. We expect cash sales to be \$5,000.00.
